

**“She’s a Lady”  
Maine-Anjou Heifer Futurity**

1. Logo for futurity participants can be used in their ad campaigns.
2. The futurity will be an open show, held in conjunction with each year’s National Junior Show.
3. Two different payment schedules are presented depending on spring born or summer/fall born nominations. Likewise, division premium payout for summer/fall calves will be less than spring division winners.
4. A six man judge system will be used with the top and bottom scores discarded and the remaining four scores averaged for class placement.
5. An accelerated premium schedule will be in place for all show day participants. Total payouts will be determined by money generated from nomination schedule.
6. Full payment is due at each nomination deadline date.
7. Hair samples by the breeder of nominated heifers will be required on all entries.
8. Late nomination fees will be applicable to those who miss nomination deadlines.
