** PLEASE USE THIS VERSION OF THE UPGRADING CHART ** (*Applies to females & steers**Applies to bull calves)

- Minimum required to register is 1/4.
- Commercial is any animal that is not registered with AMAA.
- If registering a bull, the sire must be registered Maine or have a commercial number assigned to it if not already in AMAA herd books. If the sire is of another breed the pedigree of that sire must be added for \$40 if not already on file with AMAA
- Steers may be registered out of commercial sires and must be at least ¼ to register.
- If showing bred and owned the dam must be registered Maine or registered at another association and can only be added if person registering owns the dam. Unregistered dams will not be considered bred and owned.
- Mainetainer papers will be classified as: 1/4, 3/8, 1/2, and 5/8. Mainetainer papers will be green in color and will say Mainetainer.
- High Maine papers will be Classified as: 3/4, 7/8 (Purebred), 100% (Fullblood). High Maine papers will be brown in color.
- Maine-Angus papers will be classified as: 3/8, 1/2, 5/8 Maine. This paper will be blue in color and will have Mainetainer across this center of the page with a Maine-Angus logo in the top right corner of the paper. Maine-Angus papers can be used to show in a Mainetainer class if a Maine-Angus class is not offered. See our website for additional requirements to qualify your off spring as a Maine-Angus.
